Cancer Awareness Rally

4th February 2021

Cancer Awareness Day programme and Rally organized by NSS Units - 71, 80 and 137 on 4th February 2021. World Cancer Awareness Day is observed across the world on February 4 every year. Dr. P.Sudhakar MDRT gave an elucidated talk about cancer and its prevention. Cancer is defined as an unrestricted outgrowth of cells. The specific cells start dividing and multiplying giving rise to a lump. Often these lumps grow into diseased or malignant from the body often causing death, if not treated earlier. Hence, need of the hour regarding this disease is not to be fearful and consult a doctor, the best remedy of it is to live a clean and healthier life style with proper diet and peace of mind. At the same time we must be aware of the disease. On February 4th all the NSS volunteers assembled at the seminar hall and discussed the cause and remedies for the disease,

Cancer. They organized a rally from Muslim Arts College to Azhigiyamandapam. They

raised slogans - Stop smoking, alcohol, guttka, pan masala. They also created awareness on treatment available in modern world. They expressed, „Prevention is better than cure“. All the volunteers started from the college with great enthusiasm and reached Azhigiyamandapam. The program was a grand success. In this event 78 NSS

04-05-2021

COVID19 has altered lifestyles. Sanitizing things before use, maintaining physical distancing, wearing of masks in public places, use of face shields, working from home, online classes and maximum use of digital life have become a part of our lives. Because this is the only way we can distance the disease from us.

Video on Topic: Using a mask:

Our NSS volunteer shows a simple a way to prevent from covid -19 and how to use mask. The total time of the video is 1 minute 58 seconds. The video focuses on relevant precautionary measures and necessary actions for prevention of COVID-19. We hope with this video we will be able to spread the message of awareness towards COVID-19 to different people all around so that we can join our hands together to combat COVID-19.

The institution (Muslim Arts College) has participated in **Each One Reach One Covid Mission**. Five Faculty members and five student volunteers contributed their valuable services to the Covid patients and their family members *during* the covid pandemic. Each One Reach One Covid Mission is a part of Beat Covid Campaign *initiated* by Mahatma Gandhi National Council of Rural Education.
