## RECENT TRENDS IN NUTRITIONAL SECTOR

## NUTRISECTOR-2K23

22 February 2023

Organized by

PG & RESEARCH DEPARTMENT  
OF NUTRITION AND DIETETICS

### About the Institution

Madhav Arts College, an outstanding institution committed to students' success in higher education in Kasaragodhara District, was established with the aim of fulfilling the long-felt need of the Madhav Educational Society of the district to have a college giving opportunity and access to higher education for the Madhav society. The college started functioning at Madhavapuram on 2<sup>nd</sup> July, 1987 with B.Com., B.A. History and B.Sc. Mathematics courses. In 1988 the college was affiliated to Madhav Kamraj University and now courses in B.A. and P.G. were added. With the establishment of Madhavaram Institute of Technology at Ponnambal in 1991 the college was affiliated to it.

The college, which has the motto "Service with Love", gives importance to the education of rural students who are socially and economically backward. This great abode of learning caters to the educational needs of the students from various backgrounds.

The college campus, which is filled with an atmosphere of tranquility, harmony and peace, is conducive to academic studies and research activities.

The college now offers 23 UG Programmes, 16 PG programmes, 8 M.Phil programmes and 4 Ph.D programmes in various disciplines. Based on the needs of the students it offers appropriate career-oriented, skill-based and job-oriented courses and provides value based education and opportunities for research of international standard.

### About the Department

The Department of Nutrition and Dietetics was launched in the year 2001 offering Under Graduate Post Graduate Programme in 2016. M. Phil Programme in 2017 and the department has upgraded its research Centre in 2020. The department is packed with distinguished seniority staffs and many recent research works were going through by our research scholars and supervisors. The department provides well furnished classrooms, well equipped lab and laboratory facility members. The department also provides internship training and job opportunities for our students.

### About the Seminar

The objectives of this National Seminar are to give a vast idea regarding with advanced technologies and latest concepts the latest trends in Nutritional sector and to deal with various food processing techniques that helps to improve the nutritional value of food habits. Food processing is an excellent tool for employment creation, enhancing the skills and ensuring availability of better nutrition.

### Areas of Interest

Food Science  
Immunology  
Plant Science  
Food Processing

Food Microbiology  
Bacteriology  
Animal Science  
Dietetics

### Paper Submission Details

- Researchers should send their soft copy of the abstract and full paper not exceeding five pages including tables and figures.
- Font style- Times New Roman, Font size- 12 and Line spacing- 1.5
- The full paper should include: Title of the paper, Name(s) of Authors, Designation, Affiliations including email address & key words.
- The soft copies of original and unpublished full papers should be submitted on or before 12 February 2023 to [mdc@madhavartscollege.ac.in](mailto:mdc@madhavartscollege.ac.in).
- Last date for registration is 12 February 2023
- Oral presentation can be done with the aid of power point presentation.
- Selected papers will be published in proceedings with ISBN number
- The time for an oral presentation is limited to 5 minutes and 2 minutes for queries and discussions.

### Organizing Committee

**Chairman** : Mrs. T. Martin Mary M.Sc., M.Phil, B.Ed., NET  
(Head, PG and Research Department of Nutrition and Dietetics)

**Co-Chairman** : Dr. T. Manabjaya Jisha Master  
Assistant Professor, Dept of Nutrition and Dietetics

### Committee Members

Mr. T. Jeeva (Assistant Professor)  
Mrs. E. V. Susha (Assistant Professor)  
Dr. M. Valsaraj (Assistant Professor)  
Dr. V. Ajitha (Assistant Professor)  
Dr. B. Jeeva Raney (Assistant Professor)
