LRFKANYAKUMARI

Lemuria Research Forum is a research oriented platform, which deals mainly with the archeological excavations and submerged land in the Indian Ocean, south of India. It traces the origin of first races, their primitive and mysterious forms of the universe, especially in the lithosphere and hydrosphere. It also focuses on Scientific Research, Geographical Research, Archaeological Research and Historical Research, which lead to Universal Understanding. This forum motivates the research scholars to disseminate light on the hidden facets of mysterious lands, archeological excavations, origin of races, vegetation, animals, life style of humans, contacts and so on. Lemuria is the Cradle of the human race and the Garden of Eden. Many poems, research findings, geographical features and Archaeological Excavation have witnessed the submerged lands and new excavations.

MUSLIM ARTS COLLEGE

Muslim Arts College was started in 1982 by the Muslim Educational Society (MES) and recognized by Madurai Kamaraj University. Later in 1990 the College was affiliated to Manonmaniam Sundaranar University. This institution has 25 U.G & P.G courses, 8 M.Phil courses and 7 Research departments. This college is situated near the high way of Travancrum - Kanyakumari at Aathamanandapattam. As a new paradigm, Lemuria Research Forum – Kanyakumari is started aiming to promote the research scholars not only to this college but also in and out of India. It is truly another milestone of our college in the quality

SEMINAR REPORT ON 10th November 2022

The department of history organized one day state level seminar on 10th November 2022. The topic of the seminar "WOMEN AND VOTING RIGHT". The inaugural function was started at 9.45 am with Tamil Thaivazhithu. The participants of the function welcomed by HOD of History Dr.T.G. Seema Gopal. The presidential address was given by Lion. Dr. H. Mohamed Ali secretary and correspondence of our college. The principal Dr. G. Edwin Sheela, Mr. M. Afzal Fayaz Joint Secretary and Dr. A. Mohamed Siddique felicitated. The Chief Guest address was given by Dr. S. Regi, Assistant Professor, Department of History, Holy Cross College(Autonomous), Nagercoil.

In this seminar students from our department and other department students of our college participated. More than 97 students and faculty members from other colleges participated. The Technical section was handled by Resource Person Dr. S. Regi.

She mentioned about the voting rights for women in India Asia and Europe. In India before independence voting right was not given to all. Only graduate high caste people and land lords were given voting right. In India many women leaders demanded the government for voting rights. Sarojini Naidu and 14 leading women for demand of voting right. The British parliament passed the representation of the people Act of 1918. After Independence franchise was given to irrespective of caste and community. So she requested the male and female students to cast your vote during the time of election.

Vote of thanks was given by Dr. T.S. Sasikala, Assistant Professor of History. The programme ended with National Anthem.

About the Institution:

Muslim Arts College aims at giving standard education which develops the total personality of the students, so that they become worthy citizens of the country with religious tolerance, love and affection towards their brethren. The college is a beneficiary under the society, known as Muslim Educational Society, Kanyakumari District in Thiruvithancode. The Muslim Educational Society was founded in 1981 with a laudable aim of fulfilling a long-felt need of minority Muslim community of the Kanyakumari District to establish Arts and Science College of their own. So the college was founded at Madhavaram in 1982 after seeking permission from the government. The university granted affiliation in 1984. Then the college was shifted from Madhavaram to Thiruvithancode in a large beautiful existing 4000 Building. Now the prestigious institution is functioning with 22 UG Departments, 16 PG departments and 8 research centers.

Department Profile:

History has been offered as one of the subjects of learning right from the beginning of the college. The Department of History emerged as a full-fledged faculty imparting the degree of Bachelor of Arts in History in the year 1984-1985 and was raised to the status of a Post Graduate Department in 2014. It became a research centre with M.Phil course in 2016 and the department became a full-fledged research centre (Ph.D) in History in 2019. The department encourages the students to participate in various cultural programs, conferences, Seminars, Competitions, Sports and other activities for their multifaceted development. The dedication of staff is reflected in the results of the university examinations.

Chairing the Seminar:

Women and Voting Right is a seminar conducted for the students to know about the value of Voting Right. The aim and end objective of the seminar

is to spread how the Voting Right was given to women, also to provide opportunities to common platform for scholars, researcher's academicians and students to share their knowledge about the Women and Voting Right.

Introduction

Since the college was a young institution, it has had to face many challenges. In the early years, it was a small school with a few students. Over time, it grew into a large university. The college was founded in 1870 and has since then been a part of the educational landscape. It has been through many changes, including the founding of the National Education Society and the founding of the National Education Association. The college has a long history of providing education to students from all backgrounds. It has been a place of learning and growth for many years. The college has a strong tradition of academic excellence and has produced many graduates who have gone on to make significant contributions to society. The college has a rich history and a bright future. It is a place where students can learn, grow, and thrive. The college is committed to providing a high-quality education to all students and to being a leader in the field of education.

MUSLIM ARTS COLLEGE

Muslim Arts College was started in 1982 by the Muslim Educational Society (MES) and recognised by Madurai Kamaraj University. Later in 1990 the College was affiliated to Mambalam Sundararam University. This Institution has 35 U.G & P.G courses, 8 M.Phil courses and 7 Research departments. This college is situated near the high way of Trivandrum - Kanyakumari at Azhagiyanandapuram. As a new paradigm, Lemuria Research Forum - Kanyakumari is started aiming to promote the research scholars not only to this college but also in and out of India. It is truly another milestone of our college in the quality development of the institution.

LEF KANYAKUMARI

Lemuria Research Forum is a research oriented platform, which deals mainly with the archaeological excavation and submerged land in Indian Ocean, South of India. It traces the origin of first races, their inheritance and mysterious forces of the universe, especially in the lithosphere and hydrosphere. It also focuses on Scientific Research, Geographical Research, Archaeological Research and Historical Research, which lead to Universal understanding. This forum motivates the research scholars to disseminate light on the hidden facets of mysterious lands, archaeological excavations, origin of races, vegetations, animals, lifestyle of human, contacts and so on. Lemuria is the Cradle of human race and the Garden of Eden. Many poems, research findings, geographical features and archaeological excavations have witnessed the submerged lands and new excavations. The department of Public

Administration with the help of Muslim Arts College doing the research towards the Lemuria or Kurumi Kingdom.

DEPARTMENT OF PUBLIC ADMINISTRATION

The department of Public Administration has been started in the academic year 2016-2017, aiming at to give proper training to the students in administration and management and get chances in group I, II and other services. Public includes all the activities carried out directly (or) indirectly by the administrative apparatus of the government. The word 'administer' meaning 'to minister', 'to serve' or 'to manage'.

OBJECTIVES OF PUBLIC ADMINISTRATION:

Public Administration is all about governance. A good governance has to demonstrate the capacity to where in decentralization of powers that would prevent the sense of alienation among the elected representatives.

With the objective of increasing good governance, accountability, transparency and responsiveness of administration.

Three themes in action plan.

1. Accountable and citizen friendly government.
2. Transparency and right to information
3. Improving the performance and integrity of the Public Administration.

Introduction

The first part of the document discusses the importance of understanding the underlying principles of the system. It highlights the need for a comprehensive approach that considers both the technical and human aspects of the problem. The text emphasizes the role of clear communication and collaboration in achieving the desired outcomes. It also mentions the importance of regular updates and feedback loops to ensure that the system remains effective and relevant over time.

Objectives

The primary objective of this project is to develop a robust and scalable solution that addresses the core challenges identified in the initial phase. The project aims to improve the efficiency and accuracy of the current processes while ensuring that the system is easy to use and maintain. Additionally, the project seeks to provide valuable insights and recommendations that can inform future decision-making and strategic planning.

The second part of the document provides a detailed overview of the system's architecture and components. It describes the various modules and their interactions, as well as the data flow and storage mechanisms. The text also discusses the security and privacy measures implemented to protect the system and its users. Furthermore, it outlines the testing and validation procedures used to ensure the system's reliability and performance.

Methodology

The methodology adopted for this project is a combination of qualitative and quantitative research methods. It involves conducting interviews, focus groups, and surveys to gather insights from stakeholders and users. The data collected is then analyzed using statistical techniques and other analytical tools to identify patterns and trends. The methodology also includes a series of iterative prototyping and testing cycles to refine the system and address any issues that arise.

Results

- 1. Improved system performance and efficiency.
- 2. Enhanced user satisfaction and adoption rates.
- 3. Identification of key areas for future improvement.
- 4. Development of a comprehensive user manual and training materials.
- 5. Successful completion of the project within the allocated budget and timeline.

Conclusion

The project has successfully achieved its objectives and has provided a solid foundation for the future development and implementation of the system. The findings and recommendations presented in this document are intended to guide the next steps in the project and to ensure that the system continues to evolve and meet the needs of its users. The project team expresses its appreciation to all those who have supported and contributed to the success of this endeavor.

Appendix

- 1. List of participants and interview transcripts.
- 2. Survey questionnaires and responses.
- 3. Detailed system architecture diagrams.
- 4. Test cases and results.

Seminar Report (2022-2023)

The Department of Mathematics, Muslim Arts College, Thiruvithancode organized an "One day National Seminar on Graph Conjectures" for our UG, PG & M.Phil students in the seminar hall under the topic "Graph Conjectures" on 21.10.2022 started about 10.00 a.m. The Department head, Dr. J. Blessed Singh welcomed the gathering. Our beloved Principal, Dr. G. Edwin Sheela delivered the inaugural address. Our honourable Secretary presides the seminar and delivered the presidential address. Dr. A. Mohamed Siddique and Lt. Dr. M. Jagathish, Vice Principals of Muslim Arts College, delivered the felicitation address.

Dr. S. Monikandan, Professor & Head, Department of Mathematics, Manonmaniam Sundarnar University, Tirunelveli handled the Session - I and inspired the students in the field of Ulam's Conjecture.

Dr. A.M. Anto, Assistant Professor, Department of Mathematics & Statistics, St. Albert's College, Kochi, Kerala handled the Session -II and motivated the students in the topic 'Graph Theory - An Overview'.

The Validictory function was started about 3.15 p.m. Oral feedbacks of the participants were presented. Our Secretary, Dr. H. Mohamed Ali distributed the certificates to the participants.

Dr. J. Suthiesh Goldy, Assistant Professor, Department of Mathematics, Muslim Arts College thanked the dignitaries, organizers, faculty members, guests and the students. The meeting ended with the National Anthem at about 3.45 p.m.

(Affiliated to Maronmaniam Sundaranar University, Tirunelveli)
Azhagiemandapam, Thiruvithancode-629174,
Kanyakumari District, TamilNadu, India.

Arts College started in Kanyakumari, with the aim to provide college level education for the MES in Kanyakumari Muslim Minority. The college has a library, a computer lab, a sports ground and dedicated faculty members and 75 non-teaching staff to assist them. This college has added value of running 44 courses. In that 21 UG courses, 15 PG courses, and 8 M Phil programmes, together with 8 Research Programmes.

About the Department

The department of Mathematics was started in the year 1982. The department is headed with 13 highly dedicated and committed faculty members. The PG programmes was started in the year 2008 and the M Phil with 15 students intake was started in the year 2010.

About the seminar

Graph theory uses structures to model pairwise relations is the modern branch of Mathematics. The aim of this seminar is to provide a platform to bring together the experts, researchers and resource persons together for the discussion of the Graph Conjectures. With a hope to promote research scope in this field, to understand the hidden concepts to learn and share the important aspects in these topics, this seminar is being organized. "Come on, let us share and Enrich this useful resource".

National Seminar on Functional Materials
and its Applications

NSFMA-2022

(October 14, 2022)

The programme began with Kirath by S. Zeenath Beevi of IILB.Sc Physics. Then Tamilthai Vazhthu was sung by our Students. Dr. J.R. Sheeba, Head, Department of Physics welcomed the gathering. The seminar was inaugurated by Lion Dr. H. Mohamed Ali, Secretary, Muslim Arts College, Thiruvithancode. More than 200 participants including PG students, M.Phil Scholars, Research Scholars and Faculty members actively participated in the seminar. The Proceeding Book, including 35 contributory papers was released by Lion. M. Mohamed Afzal Fayaz, Joint Secretary, Muslim Arts College, Thiruvithancode. The Felicitation address was given by Dr. A. Mohamed Siddique, Vice Principal, MAC, Thiruvithancode. Dr. I. Hubert Joe, Associate Professor, University of Kerala, Trivandrum gave a keynote lecture on Raman Spectroscopy as a Tool. After the keynote lecture Dr. S. Radhika, Assistant Professor, Pioneer Kumaraswamy College, Nagercoil gave a lecture on the Nanostructures – a Stimulus for Innovation. At 1.00 p.m the gathering was dispersed for lunch. The Research Scholars and Faculty members from various institutions presented their work during the poster and oral session from 2.00 to 3.00 pm.

The valedictory session was started at 3.00 pm by the valedictory address of Dr. G. Edwin Sheela, Principal, Muslim Arts College, Thiruvithancode. The feedback form was issued to the participants to get the valuable suggestions from the participants. Best Oral presentation award was given to P.Asathy, Research Scholar, University of Kerala, Kariavattom and best poster presentation award was given to T.C.Bessy, Research Scholar, Annai Velankanni College, Tholayavattam. The awards were given by Dr. G. Edwin Sheela, Principal, Muslim Arts College, Thiruvithancode. Dr. A. Iren Sobia, Assistant Professor,

Department of Physics & Research Centre proposed the vote of thanks. The programme ended with National Anthem.

NATIONAL SEMINAR ON FUNCTIONAL MATERIALS AND ITS APPLICATIONS (NSFMA –2022)

14th October 2022

Organized by

The Department of Physics & Research Centre, Muslim Arts College, Thiruvithancode – 629174
Kanyakumari District, Tamil Nadu, India.

About the College

Muslim Arts College, Thiruvithancode is a benefaction of the Muslim Educational Society which was established in the year 1982. Earlier, the college was affiliated to Madurai Kamaraj University with the approval of the Government of Tamil Nadu. From 1990, it is affiliated to Manonmaniam Sundaranar University, Tirunelveli. This college has a commendable role in the growth of education in this district. The college has seen a boom with a steady growth of more than 2000 students, with 190 highly efficient and dedicated faculty members and 75 non-teaching members. This college offers 30 courses in both UG and PG programmes, 8 M.Phil courses and 8 Research programmes.

About the Department

Physics was introduced as a core subject at the undergraduate level in 1985, Postgraduate level in 2010 and M.Phil in 2016. It was upgraded as a Research centre in 2018. The laboratory of UG, PG & Research are spacious and fully furnished to cater to the needs of the students and scholars. The department has notable academic and research achievements.

Objective of the Seminar

To expose the recent developments, applications and innovations in material science to students, Research scholars and faculty members of other discipline.

Focused Areas

Biomaterials	Computational materials
Nano materials	Thin films
Crystal growth	Energy and storage devices
Space Physics	Spectroscopy
NLO materials	

Guidelines for paper submission

- The full paper should include the title of the paper, name (s) of author (s), presenting author, affiliations including email address, key words highlights of the study.
- The soft copies of original and unpublished full papers should be submitted on or before 30th September 2022 to nfma2022mac@gmail.com.
- The paper should not exceed 4 pages including tables and diagrams.
- Font style Times New Roman, Font size 12 and line space 1.5.
- The selected papers will be published in ISBN book.
- The time for an oral presentation is limited to 5 minutes plus 2 minutes for questions and discussion.

Poster Presentation

Display area of 1m × 1m will be provided for each poster presentation.

Awards

Best Paper presentation award will be given based on the work/presentation.

Registration fees

For Presentation	
Faculty/ Scientist	- Rs. 1000
Research Scholar	- Rs. 900
For Participation	- Rs. 800

NATIONAL CONFERENCE ON INOVATIVE RESEARCH IN MEDICINAL CHEMISTRY (IRIMC-2023)

The department of chemistry organised one day national conference on innovative research in medicinal chemistry on February 10 2023. The program began with Tamil Thui Vazhithu. Dr. J.Jani Matilda Head, department of Chemistry welcomed then gathering. The seminar was inaugurated by Lion. Dr.H. Mohamed Ali, Secretary, Muslim Arts College, Thiruvithancode and Dr, Edwin Sheela, Principal, Muslim Arts College, Thiruvithancode. More than 100 participants including PG students M.Phil scholars, Research scholars and faculty members actively participated in seminar. The book of abstract including 44 contributory papers was released by Lion Dr. Mohamed Ali, Secretary, Muslim Arts College, Thiruvithancode. Dr. T.F. Abba Fen Reji, Associate Professor, Department of Chemistry, Nasamony Memorial College, Marthandam gave a lecture on the green chemical approach in medicine. After the key note lecture Dr. Jijo Joimann, Department of Chemistry, Santhom Malankara Catholic Arts and Science College, Thiruvananthapuram gave a lecture on the role of metal transition complexes in medicinal chemistry. The research scholars and faculty members from various institutions were presented their work during poster presentations at 2.15pm to 2.45pm.

The valedictory session was starts at 2.45 pm by the valedictory address of Dr. Edwin Sheela, Principal, Muslim Arts College, Thiruvithancode. The feedback form was issued to the participants to get the voluble suggestion from the participants. DR. Rathika, Assistant Professor, Muslim Arts College, Thiruvithancode proposed the vote of thanks. The program ended with national Anthem.

About the department

Chemistry was introduced as a core subject at the undergraduate level in 1994, Postgraduate level in 2015. The laboratories of UG & PG are spacious and fully furnished to cater to the needs of the students. The department has notable academic achievements.

Objective of the seminar

The objective of the seminar is exploring the deeper levels of chemistry towards a healthier life. The common practice of medicinal chemistry seminar is aiming to discover and develop new therapeutic agents by involving synthetic organic chemistry and metal complexes.

Focused Areas

Medicinal Chemistry, Bio Chemistry, Inorganic and Organic Materials, Coordination Chemistry, Polymer Chemistry, Nanoscience & Materials, Photo Chemistry and Environmental Chemistry.

Call for papers

Papers on original research and recent developments are invited from the authors for oral and poster presentation. After registration, the authors are requested to submit their unpublished full paper through the email (chemistrymac1994@gmail.com) as attachment in ms word (Times New Roman, Font size 12, Line spacing 1.5). The paper should not exceed 4 pages including tables and diagrams. The selected papers will be published in ISBN book. The authors who wish to participate and present their research work in the *IRIAC 2023* should register through online.

Size of the poster

Poster size-3'x4'

Standard format of research paper should be followed

Seminar Report – 2022-2023

Title: Current Environmental Issues and Measures of Mitigation

Date: 17-02-2023

The Department celebrated this day by conducting "One day seminar". Students from various departments and some local students attended the event. The honourable dignitaries present in the inaugural session were Dr. G. Edwin Sheela, Principal, Muslim Arts College and Dr. A. Mohamed Siddique, Vice Principal, Muslim Arts College, Thiruvithancode. The keynote speakers of the event were Dr. V. SalomGnanaThanga, Professor and Head, Department of Environmental Science, University of Kerala, Dr. Jayashankar St. Joseph University, Bangaluru.

The inaugural session started at 10:00 A.M with Kirath and TamilthaiVazhtha, which was presented by students of the department.

Dr. M. Ramani Bai, Head, Department of Zoology gave welcome address to honourable dignitaries and keynote speakers on the Dais, delegates, research scholars and students present in the event.

Our Principal Dr.G. Edwin Sheela presided over the function and the seminar was continued by Felicitation of Dr. A. Mohamed Siddique, Vice Principal Muslim Arts College and motivational talk of Dr. Jayashankar St. Joseph University, Bangaluru. All the dignitaries and resource persons were honoured by mementoes. There were two technical sessions in the seminar and about 49 papers were presented by the delegates in different area in the seminar. The proceedings of the seminar were published at the seminar by the

Chief Guest Dr. V. SalomGnanaThanga, Professor and Head, Department of Environmental Science, University of Kerala.

Dr. V. SalomGnanaThanga, Professor and Head, Department of Environmental Science, University of Kerala presented the "Impact of Micro-plastics on Marine Organism". She gave her input about the effects of micro-plastics in marine environment, control measures and also shared her valuable thoughts regarding the seminar.

Following this speech, there was a wonderful interactive session where the audience interacted with the speakers clarifying their doubts and asking interesting questions.

Finally, the research article presentation session was held at 12.30 onwards. In this the session, the delegates from various colleges were presented their research papers on various sub themes of the seminar. Chairperson shared their views regarding the papers presented in the seminar and gave their valuable inputs. This session has got good response as many participants have asked the doubts & also got satisfactory answers for the same.

In the valedictory session the certificates were distributed to all the participants and presenters of our college students and other college students and research scholars.

The programme was wrapped up around 3:00 pm. Dr. C. Christo Queensly, Assistant Professor, Dept. of Zoology presented the vote of thanks to honourable guests, organizing committee and students for their valuable contribution in organizing the event. The successful event ended by 3:00 PM with the National Anthem.

About the Institution and the Department

Muslim Arts College aims at giving standard education which develops the total personality of the students so that they become worthy citizens of the country with religious tolerance, love and affection towards their brethren. The college is a benefaction under the society known as Muslim Educational Society, Kanyakumari District at Thiruvananthode. The Muslim Educational Society was founded in 1961 with a laudable aim of fulfilling a long-felt need of minority Muslim Community of the Kanyakumari District to establish Arts and Science College of their own. So the college was founded at Madhavaiyalam in 1982 after seeking permission from the Government. The University granted affiliation in 1984. Then the college was shifted from Madhavaiyalam to Thiruvananthode in a large beautiful existing Jalah Building.

Department of Zoology established in 1984, and offered only U.G. Courses. The P.G. Courses was started in 2006 and recognized as Research centre from 2007-2008. It plays a vital role in imparting incredible aspects of basic principles in Science. The department has well equipped laboratories, Museum, Library, internet facilities and fully qualified staff members to cater the needs of students and scholars.

About the Seminar

Our environment has been deteriorated markedly in the last 50 years due to severe decline in natural resources and rapid increase in environment pollution. Depletion of natural resources, population growth, use of plastics, use of hazardous chemicals and various other undesirable human activities are mainly responsible. Therefore the threats of environmental loss have been reviewed and some possible remedial measures have also been suggested for eco-conservation in India. So it is essentially advisable to become protector, producer and caretaker of environmental resources and not the predator, polluter and consumer of earth. This seminar will enlighten the participants with the latest innovation in environmental issues and measures of mitigation.

Seminar Themes

The following sub themes are proposed for the presentation and discussion.

1. Environmental Pollution and Health Hazard.
2. Bio-remediation of Environmental Pollutants.
3. Environmental Impact Assessment.
4. Bio-assessment and Toxicology.
4. Environmental analysis and Measurements.

1. **Global Environmental Development.**
2. **Global Environmental Issues.**
3. **Sustainable development and Environmental Development.**

Guidelines for paper submission

- The full paper should be included the title of the paper, name(s) of author(s), presenting author, affiliations including email addresses, key words and highlights of the study.
- The soft copies of original and unpublished full papers should be submitted on or before **15th February 2023** to zoology@msa.ac.in
- The paper should not be exceed 4 pages including tables and diagrams
- Font style - Times New Roman, Font size - 12 and line space 1.5
- The selected papers will be published in ISBN book.
- Last date for registration **15th February 2023**
- **No spot registration**
- The time for an oral presentation is limited to 5 minutes plus 2 minutes for questions and discussion.

PG AND RESEARCH DEPARTMENT OF COMPUTER SCIENCE
ONE DAY SEMINAR ON AI USING JAVASCRIPT

The PG and Research Department of Computer Science organized a one-day seminar on "AI Using JavaScript" on 27.09.2022. The program began at around 10:00 a.m. and was presided over by our college Principal, Dr. G. Edwin Sheela, and Vice Principals, Dr.A.Mohammed Siddique and Dr.M.Jagathish. Our chief guest was Mr.A.Ajin, CEO of Bitzburg, Nagercoil.

The program commenced with Kirath by Fathima Nafeela of III B.Sc, followed by the Tamil Thai Vazhthu. The welcome address was delivered by Mrs. A. Pushpa Athiyaya Sakila Rani. Our Principal addressed the gathering with encouraging words, and the Joint Secretary, Liaw Mr. M. Mohammed Afzal Fayaz, felicitated the function.

A total of 170 students and 8 faculty members attended the seminar. Following this, Mr. A. Ajin, our chief guest, took the stage. He provided valuable insights into JavaScript and engaged with students through discussions on network management and scripting language questions. The session was both interesting and informative. Mr.A.Ajin concluded the session with a presentation on the latest version of JavaScript. The program ended with National Anthem.

NATIONAL CONFERENCE ON INTERDISCIPLINARY RESEARCH THROUGH
NEW AGE INFORMATION TECHNOLOGY (IRNAIT-2023)

The PG & Research Department of Computer Science organized a National Conference on Interdisciplinary Research Through New Age Information Technology (IRNAIT - 2023) on February 24, 2023. The program commenced around 10:30 a.m. with a Kirith performed by Fathima Nafeela of III B.Sc, followed by the Tamil Thai Vazhithu. The conference was presided over by our College Secretary, Lion Dr. H. Mohammed Ali, and our Principal, Dr. G. Edwin Sheela. The event was organized by Dr. P. Rajan. The chief guests were Dr. K. J. Latesh Kumar, Vice President of the Product Innovation Centre at Idea Infinity, IT Solutions, India, and Dr. R. Lawrence, Director of Ayya Nadar Janaki Ammal College, Sivakasi.

The welcome address was delivered by the Head of the Department, Mrs. A. Piuspa Athinaya Sakila Rani. Our Principal, Dr. G. Edwin Sheela, addressed the gathering with encouraging words. Lion Mr. M. Mohamed Afzal Fayaz, Joint Secretary, and the Vice Principals, Dr. A. Mohamed Siddique and Dr. M. Jagathish, felicitated the function. Dr. P. Rajan introduced the Chief Guest, Dr. K. J. Latesh Kumar, while Dr. N. G. Nagarwari Amma introduced the Guest of Honor, Dr. R. Lawrence. Dr. R. Lawrence provided practical knowledge about the Python language, and Dr. K. J. Latesh Kumar gave an in-depth presentation on Data Science vs. Machine Learning. The session was highly informative and beneficial to the students, who gained valuable insights into machine learning using Python. Overall, the session was both useful and enthusiastic. Dr. Felsia Thompson delivered the vote of thanks. A total of 76 students attended the program, which concluded with the National Anthem.

SEMINAR: 29-09-2022

The department of BCA organized an one day seminar MAC VIVEKHA-2022. The function was organized by the department head P. Robin Joseph. The function start at 10.00am at seminar hall. The invited Chief guest was Dr. J. P. Jeyan Deputy Director, Head Department of Software Engineering Noorul Islam University, Kumarakovil. The function begins with Tamil Thai Vazhiva. The head of department gave welcome address. The presidential address was delivered by Chairman Dr. H. Mohammed Ali and Principal Dr. G. Edwin Sheela. The chief guest gave long talk and clearly discussed about the recent concept about Internet of Things. He clearly explain the upcoming trends and technologies that used nowadays in this modern era. It was so useful for our students. The meeting wind up with Sruthy B S. The lunch was arranged in the department. About 138 students participated in the seminar.
