(Affiliated to Manonmaniam Sundaranar University, Tirunelveli)
Azhogiamandapam, Thiruvilhancode - 629 174,
Kanyakumari District, Tamil Nadu, India

About the College

In 1982, Muslim Arts College started functioning in Madhavalayam, with the need realized by the MES in Kanyakumari District to provide college level education among Muslim Minority. The college has seen a boom with a steady growth of more than 2500 students with 179 highly efficient and dedicated faculty members and 75 non-teaching staff to assist them. This college has added value of running more than 30 courses in both UG,PG and M.Phil. Programmes and 4 Research Programmes.

About the Department

The department of Mathematics was started in the year 1982. The department is fledged with 11 highly dedicated and committed faculty members. The P.G. programme was started in the year 2008 and the M.Phil. with 15 students intake was started in the year 2010.

About the Seminar

Graph theory uses structures to model pair wise relations is the modern branch of Mathematics. The aim of this seminar is to provide a platform to bring together the experts, researchers and resource persons together for the discussion of the recent developments in graph theory. With a hope to promote research scope in this field, to understand the hidden concepts, to learn and

share the important aspects in these topics, this seminar is being organized. "Come on, let us share and enrich this useful resource".
